

Lic. Marita Muriago – Marketing Manager

I'm an Experienced Marketing Manager with a demonstrated history of working in the medical practice industry. Skilled in Advertising, Community Management, Marketing Strategy, Digital Marketing, and Social Media.

For more than 15 years I have been working with different companies in the development of their marketing plan and communication strategies, in content creation and the management of the Marketing area.

I hold a degree in Advertising from the University of Business and Social Sciences in Argentina.

I currently advise companies in the daily development of the marketing area and in the creation and implementation of content for different media.
